

cancer health equity collaborative

UC SAN DIEGO MOORES CANCER CENTER

Who are we?

Cancer Health Equity Partnership (CHEC) a collaborative between stakeholders in the fight against cancer that work together in impacting the cancer continuum.

Our mission is to improve access to cancer prevention, early detection, treatment, survivorship support and services throughout San Diego and Imperial Counties, with an emphasis on underserved and uninsured communities, through collaborative partnerships.

CHEC Objectives

1. Share cancer-related resources and tools to better inform stakeholders and the community
2. Provide early detection and prevention information
3. Develop an outreach strategy to inform communities in the importance of clinical trials
4. Support advocacy & public policy efforts

2020 Meeting Presentations

Speakers presented on various topics and provided information and resources to CHEC members.

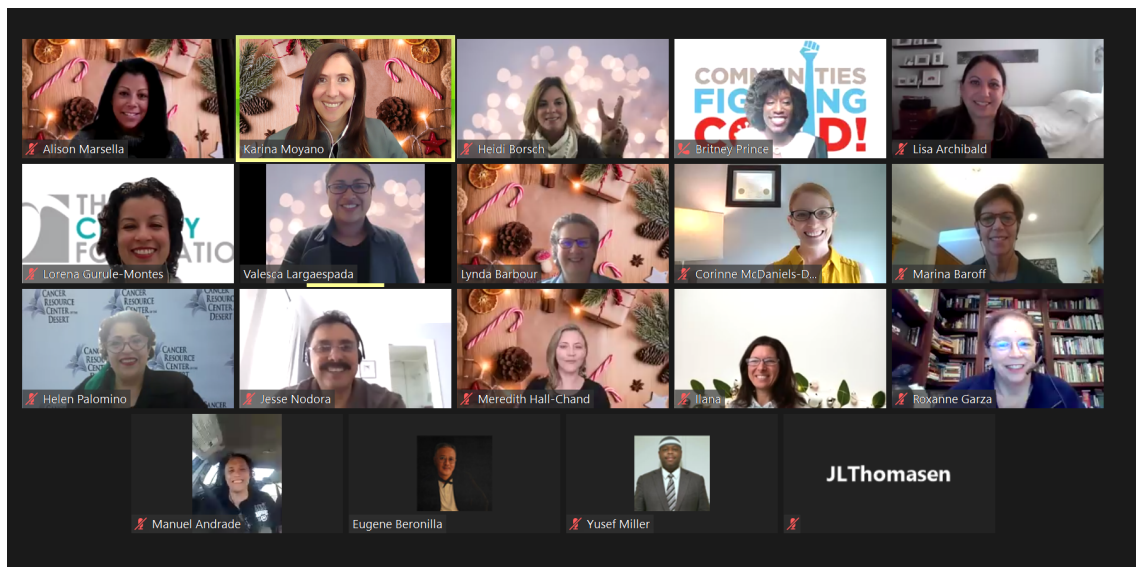

- **March:** The Leukemia & Lymphoma Society; Cultural Competency 101 - Susan G. Komen
- **June:** Oncology and Kids; COVID-19 Impact on Cancer Patients at Moores Cancer Center
- **September:** Steps Through OC: The Clarity Foundation; Virtual Reality to Improve Vaccination Rates: Somali Family Service of San Diego
- **December:** Communities Fighting COVID!

A special thank you to the American Cancer Society Cancer Action Network for providing legislative updates during our meetings.
